DESIGN SWIMWEAR

KARA SHELVIN is a French, high-quality swimwear designer for women. Its creator, Claire Matarese, is fascinated by fashion and innovation. In 2016, she discovered a new ready-to-wear fabric: fish leather. After a year of research, KARA SHELVIN has become one of the first swimwear brands to use fish leather in its creations.

KARA SHELVIN stands out for its creativity, featuring both classical and daring models, as well as attention to detail and know-how in the selection of fabrics and patterns.
